SPONSORSHIP OPPORTUNITIES

The SourceBOOK is a resource with a long shelf life and used repeatedly by industry sourcing coatings products and services. It is available in print and online, and as such will be dynamic in that it may be updated throughout the year in the online version. Below are two powerful opportunities to present your company in a key industry leadership position.

CATEGORY SHOWCASE SPONSORSHIP: $995*
*All rates net; no agency commission.— Does not count towards display ad frequency.

Print Version
✓ Includes all the benefits of the Logo Listing in the SourceBOOK, plus...
✓ "Sponsored By" with logo at the head of your selected category

Online Version
✓ Includes all the benefits of the Logo Listing in the online version of SourceBOOK, plus...
✓ "Sponsored By" with logo at the head of every page appearing that contains your selected category listings
✓ "Sponsored By" logo hyperlinks directly to your company Web site

SourceBOOK SECTION SPONSORSHIP: $2,995*
*All rates net; no agency commission.— Does not count towards display ad frequency.

Print Version
✓ Includes all the benefits of the Logo Listing in the SourceBOOK, plus...
✓ "Sponsored By" with logo at the head of your selected category
✓ Company name at the top of each subsequent page of category listings dedicated to your section
✓ Logo included on an introduction page near the front of the SourceBOOK, citing you as a major SourceBOOK sponsor

Online Version
✓ Includes all the benefits of the Logo Listing in the online version of SourceBOOK, plus...
✓ Banner ad on the left margin of www.coatingspromag.com that...
✓ Rotates regularly when anyone is browsing any part of the CoatingsPro Web site, and...
✓ Ad is the first shown on the left margin whenever the viewer is in your Sponsored SourceBOOK Section
✓ All logos and ads hyperlink to your Web site

For a complete list of SourceBOOK sections and the hundreds of available categories, click here. There will be just one sponsor per section and category, sold on a first-come, first-served basis.
